digestive balance

expert advice + solutions

What are probiotics?

Probiotic supplements can help restore the digestive system's "good" bacteria, which can help maintain digestive balance.*

How do probiotics help digestive health?

Probiotics help reduce gas and cramping and prevent diarrhea. They also help with digestive tract inflammation.*

regularity

expert advice + solutions

Why is fiber important in my diet?

Fiber moves waste through the digestive tract—the small and large intestine (colon)—keeping you regular.*

How do I get fiber into my diet?

Aim for 20 - 35 g/day. Eating foods like nuts and whole grains and adding a fiber supplement can help you reach your daily goal.*

constipation

expert advice + solutions

How can I relieve constipation?

Laxatives can help with short-term constipation. But for long-term digestive health a balanced diet, including fiber, is recommended.

With any type of constipation medication, drink one and a half to two quarts of water each day because it brings more water into the large intestine and the stool.*

heartburn

expert advice + solutions

What can I do to treat my heartburn?

For mild or occasional heartburn, take an antacid to neutralize stomach acid and provide fast relief. If you are taking antacids two or more times a week for your heartburn symptoms, you may want to ask your doctor if an H2 blocker or proton pump inhibitor might be beneficial.*

Our Rebate Policy

Please note multiple submissions will be accepted per monthly offer, subject to rebate quantity limitations noted for each individual offer per family, individual, household or address. Please submit only one receipt per rebate form. No altered, substitute, invalid, counterfeit or non-Walgreens receipts will be accepted. No item(s) submitted for rebate that has already been returned to any of our stores will be processed. Offers open to United States and Puerto Rico addresses only. All submissions become property of the Walgreens Rebate Program and will not be returned. Allow 8 to 10 weeks for delivery of your rebate after submission is received. Walgreens, its affiliates or agents are not responsible for mail not received as a result of loss, damage or delays by the U.S. Post Office. Any disputes of the validity of a submission will require you to provide a photocopy of your entire submission, including register receipts and submission forms, which will be subject to review. These tips and guidelines are provided to deter possible fraudulent activity. Fraudulent submissions could result in federal prosecution under mail fraud statutes (Title 18, United States Code, Sections 1341 and 1342).
